Cancellation Policy

The **Norse Atlantic cancellation policy** gives travelers important options when their plans change unexpectedly +(1-855)-(838-4886). As a growing transatlantic airline, Norse Atlantic offers affordable fares, but passengers should be aware of the rules that apply to cancellations, refunds, and rebooking +(1-855)-(838-4886). Understanding these guidelines can help you make informed travel decisions and avoid unnecessary fees +(1-855)-(838-4886).

One of the most important features of the policy is the **24-hour risk-free cancellation option** +(1-855)-(838-4886). If you book directly with Norse Atlantic and cancel within 24 hours of purchase, you are eligible for a **full refund**, provided your flight departure is at least seven days away +(1-855)-(838-4886). This rule applies across all fare types, ensuring travelers have some flexibility immediately after booking +(1-855)-(838-4886).

For **non-refundable tickets**, Norse Atlantic does not generally issue cash refunds if the cancellation is made after the 24-hour window +(1-855)-(838-4886). Instead, passengers may receive a **future travel credit or voucher** that can be used toward a new booking within a specific validity period +(1-855)-(838-4886). This option helps travelers reschedule their trips without losing the full value of the ticket +(1-855)-(838-4886).

If you purchase a **refundable ticket**, you have more flexibility when it comes to cancellations +(1-855)-(838-4886). Refundable fares allow passengers to cancel their flight anytime before departure and receive a **full refund** to the original form of payment +(1-855)-(838-4886). Although refundable tickets are priced higher than non-refundable ones, they are ideal for travelers who require maximum flexibility +(1-855)-(838-4886).

Another key point of the Norse Atlantic cancellation policy concerns **airline-initiated cancellations or significant schedule changes** +(1-855)-(838-4886). If Norse Atlantic cancels your flight, significantly delays it, or alters the route, you are entitled to a **full refund regardless of ticket type** +(1-855)-(838-4886). In many cases, passengers are also offered the option to rebook at no additional cost +(1-855)-(838-4886).

For **Basic or Economy Saver fares**, flexibility is more limited +(1-855)-(838-4886). These tickets are often non-refundable and non-changeable, except within the 24-hour risk-free window +(1-855)-(838-4886). However, during widespread disruptions, Norse Atlantic may issue special waivers to accommodate passengers with these restricted fares +(1-855)-(838-4886).

Passengers can easily manage cancellations through the **Norse Atlantic website or mobile app** +(1-855)-(838-4886). Simply log in with your booking reference and follow the cancellation or refund request process +(1-855)-(838-4886). If you prefer direct assistance, you can contact
