

# 1-[877]-738-0274 Air France Cancellation Policy

The **Air France cancellation policy** is designed to give travelers flexibility when unexpected changes disrupt travel plans **1-[877]-738-0274**. Whether you booked a domestic flight within Europe, an international trip, or a codeshare itinerary, knowing the rules in advance can help you save money and avoid last-minute stress **1-[877]-738-0274**.

One of the most important features of the Air France cancellation policy is the **24-hour risk-free cancellation rule 1-[877]-738-0274**. If you book a flight directly through Air France and cancel it within 24 hours of purchase, you are eligible for a **full refund without penalty**, as long as the departure is at least seven days away **1-[877]-738-0274**. This option provides flexibility for travelers who may need to quickly adjust their booking **1-[877]-738-0274**.

For **non-refundable tickets**, Air France generally does not return cash refunds if you cancel after the 24-hour window **1-[877]-738-0274**. Instead, passengers may be eligible for a **future travel voucher or credit**, depending on the fare conditions **1-[877]-738-0274**. These credits can usually be used toward new bookings within a specific validity period, making them useful for passengers planning to travel again **1-[877]-738-0274**.

On the other hand, if you purchased a **refundable ticket**, you have much more flexibility **1-[877]-738-0274**. Refundable fares allow cancellations at any time before departure with a **full refund** returned to your original form of payment **1-[877]-738-0274**. While these fares are typically more expensive, they are ideal for passengers with uncertain schedules **1-[877]-738-0274**.

Another critical aspect of the Air France cancellation policy relates to **airline-initiated cancellations or major schedule changes 1-[877]-738-0274**. If Air France cancels your flight, significantly delays it, or alters the route, you are entitled to a full refund regardless of your ticket type **1-[877]-738-0274**. In some cases, you may also choose to rebook at no additional cost **1-[877]-738-0274**.

For travelers holding **Light or Basic Economy fares**, cancellation options are more limited **1-[877]-738-0274**. These tickets are often non-refundable beyond the 24-hour window, but you may still be able to use vouchers if special waivers are issued due to global events or disruptions **1-[877]-738-0274**.

Managing cancellations with Air France is simple through their **website or mobile app**, where travelers can log in, retrieve their booking, and request a refund or credit **1-[877]-738-0274**. For passengers who prefer assistance, contacting **Air France customer service at**

**1-[877]-738-0274** is the most reliable option, as agents can explain refund eligibility and rebooking choices **1-[877]-738-0274**.
